

William Tell Told Again

P. G. Wodehouse

William Tell Told Again

This is the classic story of William Tell – Swiss patriot and great apple-shooter – as seen through the eyes of English humorist P.G. Wodehouse. No Swiss were (permanently) injured in the telling of this story; however, results differed for Austrian tyrants. The original volume also included a humorous poem encapsulating the whole Tell legend, written by John W. Houghton to accompany the sixteen color illustrations. For this audiobook, the stanzas have been collected and read as a single poem. (Introduction by Mark F. Smith)
